DO No. F.17/26/2015-SCH

Dated: June, 2017

Dear Mr. Anthony,

As you may be aware, the Department of Empowerment of Persons with Disabilities is implementing the following six scholarship schemes for students with disabilities: (a) Pre-matric scholarships for Class IX and X (b) Post-matric scholarships for Class XI to Post-graduation (c) Scholarship for Top Class Education for Post-Graduate Degree or Diploma in 240 notified institutions (d) National Fellowship for Persons with Disabilities for M.Phil/Ph.D (e) Free Coaching for Students with Disabilities (launched from 1st April, 2017) and (f) National Overseas Scholarships for Post-graduation and Ph.D.in Universities/Institutes abroad.

2. The scholarship schemes of Pre-matric, Post-matric and Top Class Education are being implemented through the National Scholarship Portal (NSP) (www.scholarships.gov.in). The registration of students on the portal will start from 1st June 2017. The details of these schemes are available in the website of this Department. (www.disabilityaffairs.gov.in). After the applicant submits on-line application, the school/college/institute concerned and the State Government concerned are required to verify the application on-line. The applications of the scholarship schemes on-boarded on the NSP are received on-line only by this Department. The last date of applying on-line on the portal for Pre-matric is 30th September, 2017 and Post-matric and Top Class Education is 31st October, 2017. The last date for applications of renewal candidates is 31st July, 2017. The verification process by the State Nodal Officer should be completed within one month thereafter.

3. All the scholarship schemes of this Department are Central Sector Schemes i.e. the entire amount of scholarships is borne by the Government of India (DEPWD). The payment of the scholarship amount is made through Direct Benefit Transfer (DBT) mode to beneficiary's bank account. The number of scholarships allotted to each State/UT in Pre-matric, Post-matric and Top Class Education is in accordance with the proportion of PwD population of that State/UT in proportion to the total PwD population of India (copy attached). The role of State Government is very crucial in implementation of these scholarship schemes.
